Field inspection report

Site: fictional research site. Observations recorded for testing only.

Vector text should remain selectable after image compression.

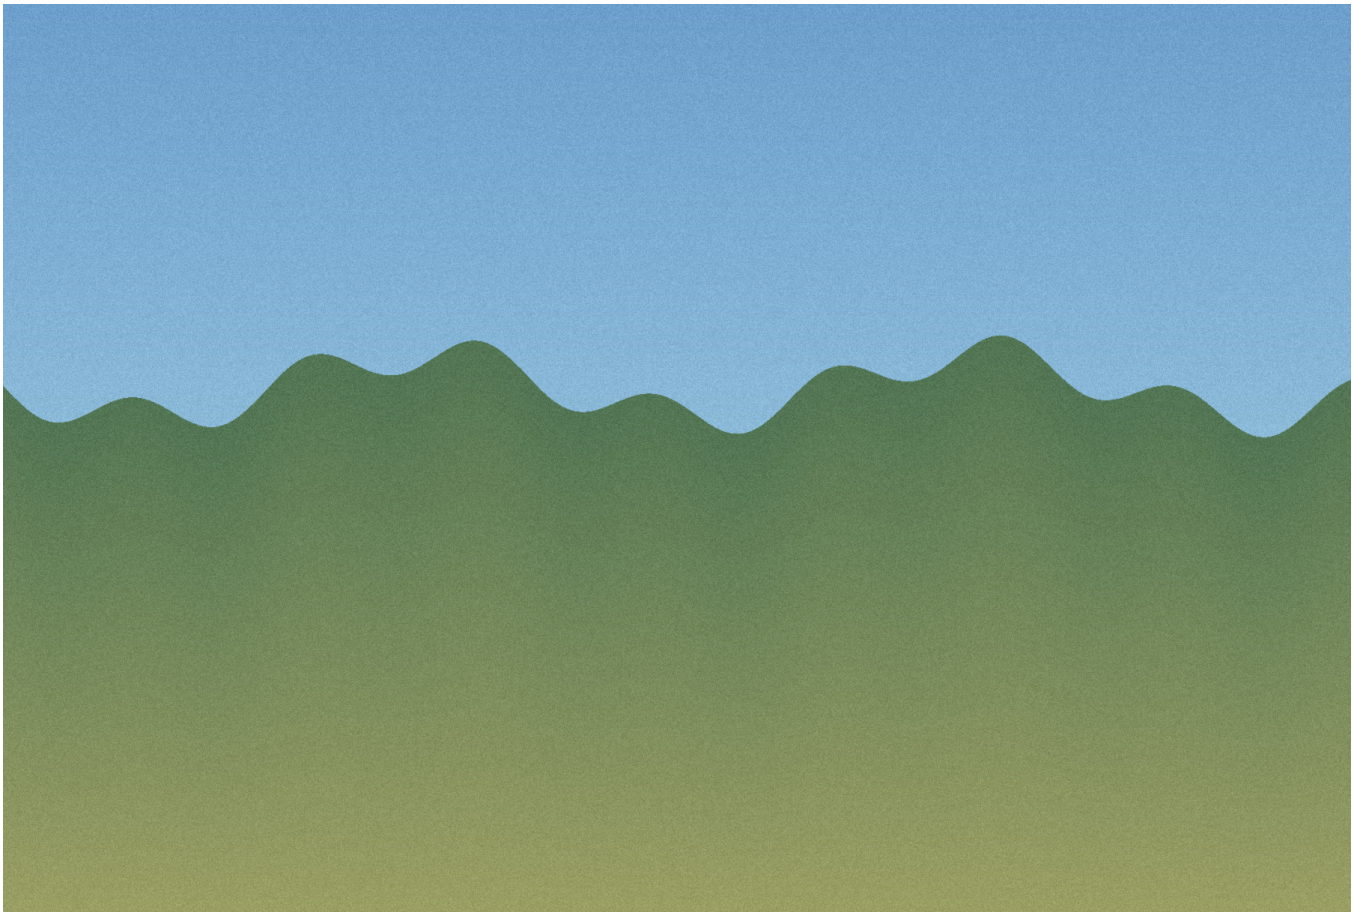

Figure 1. Synthetic textured landscape for image-quality inspection.

Measurement 1: 24.2 units Control label ABC-100 Status: complete

Measurement 2: 41.2 units Control label ABC-101 Status: complete

Measurement 3: 58.2 units Control label ABC-102 Status: complete

Measurement 4: 75.2 units Control label ABC-103 Status: complete

Measurement 5: 92.2 units Control label ABC-104 Status: complete

Measurement 6: 109.2 units Control label ABC-105 Status: complete

Measurement 7: 126.2 units Control label ABC-106 Status: complete

Measurement 8: 143.2 units Control label ABC-107 Status: complete
